

REPORT TAGGED FISH TOLL FREE 1-877-778-3637

The Pennsylvania Fish & Boat Commission and the Pennsylvania Cooperative Fish and Wildlife Research Unit of Penn State University are conducting a study of smallmouth bass survival on the Susquehanna River. Some smallmouth bass are marked with tags that look like a piece of plastic spaghetti trailing the pectoral fin.

Look here for tag.

HOW TO CLIP TAG FOR CATCH-AND-RELEASE BASS

On two-part tags, clip the tag where indicated below:

On one-part tags, clip the tag near the fish's body:

HOW TO REMOVE TAG FROM HARVESTED BASS:

When fish are filleted, look for a small anchor "button" under the skin. Remove the tag before cooking and consumption.

HOW TO REPORT TAGS:

All tagged bass kept or released may be reported by calling **TOLL FREE 1-877-778-3637** and reporting the serial number listed on the tag.
