Sinnemahoning Creek Water Trails: Bennett Branch

**Pennsylvania ROVING REGULATIONS**

- U.S. Coast Guard-approved wearable personal flotation device (PFD) or life jacket is required for each person on board. In addition, one throwable device (most commonly a life ring or throw rope) is required on boats 16 feet in length or longer.
- Canoes and kayaks, regardless of the length, are subject to the same requirements as other boats.
- From November 1 through April 30, boats must carry a sound-producing device operable at all times in the water.
- All powered boats must slow whenever entering and leaving a river or lake, especially during cold weather months.
- Life jackets must be available for the person intended and must be good,serviceable condition.
- Life jackets must be worn by all children 12 years old and younger on all boats 20 feet or less in length photo posted way, and on all canoes and kayaks. Adults are strongly encouraged to wear a PFD at all times in the water.
- All boats must display on another light a white light visible 360 degrees at an angle between nascent and carcass. Boats can use a lantern or dip on battery-powered unit to meet this requirement.
- All occupants must be registered, regardless of where they launch.
- Unpowered boats (canoes, kayaks, canoes) using Pennsylvania Fish & Boat Commission State Park or Forest access must either be registered or display a valid launch permit. Launch permits can also be purchased through the Commission's website at www.fishandboat.com or at any State Park office.
